

Three-Day Celebration to Fete Opening of GallenKamps Today

Ribbon-cutting ceremonies today at GallenKamp's new Del Amo store, in the Del Amo Shopping Center, will officially mark the beginning of a three-day celebration of Grand Opening specials. According to S. Joseph Blatt, chairman of the board, this is part of the West Coast shoe chain's expansion program planned to open 25 new family shoe stores during 1961.

Leon Friedland, GallenKamp retail supervisor for the new store said, "GallenKamp's started in California in 1913 with a single store selling better shoes for less money. GallenKamp now operates over 200 family shoe stores in California, Arizona, Oregon, Washington, Idaho, Nevada, New Mexico, Colorado and Utah: 65 of these stores serve the Los Angeles area.

"GallenKamp's carries nationally advertised brands, such as 'Madison Square' and 'Corvettes' for men, Parents' Magazine commended 'BlueBird' shoes for children, and 'Dream Step,' 'Friskies' and 'Correct Step' for women and teens. This stress on value and style, coupled with GallenKamp's

Guarantee for fit and wear, has made our slogan 'More Miles to a GallenKamp,' a 'buy' word to generations of families throughout the West."

THE NEW store was designed by noted California architect Fredric R. Frankel, A.I.A., with emphasis on customer comfort. The store features newly developed lighting, air conditioning and color coordinated departments for men, women, teens and a special children's department, including a "Playland" area. Numerous displays within the center of the store show merchandise for style selection.

District Manager Phil Haberman, who will personally manage the new Del Amo store, stated,

"WE WILL introduce our new store to Torrance residents with a three-day celebration of Grand Opening specials in all departments. During the Grand Opening celebration, we will have free gifts for everyone who comes into the store, and special gifts for all customers including Esquire Shoe Care Chests for men and beautiful jeweled electric shavers for the women."

Chapel Moves to Stiffen State Anti-Red Statutes

By CHARLES E. CHAPEL, Assemblyman, 46th District.

My Assembly Bill No. 52, introduced in 1953, was enacted into law and became known as Chapter 1217, Statutes of 1953, otherwise cited as Sections 2540, 2540.4, and 2540.9, Elections Code. It removes the communist party from the ballot in California by description and not by name.

For about 15 years previous to 1953, the communists were legally entitled to be on the ballot in California as a political party because the Supreme Court of the State of California had ruled that an earlier law removing the communist party from the ballot in California by name was not constitutional.

The same decision of the State Supreme Court indicated that it would be constitutional to accomplish the same purpose by not mentioning the name of the communist party but describing it as one whose purpose was to overthrow the government of the United States and the State of California by force, violence and other unlawful means.

This is what I accomplished when my bill was enacted into law in 1953.

On April 21, I introduced my Assembly Bill No. 2905, which was referred to the Assembly Committee on Judiciary. It is legally described as "An act to add Chapter 6 (commencing with Section 8500) to Division 1 of Title 2 of the Government Code, relating to the threat of communism."

The purpose of this bill is to give the State of California additional power in dealing with the communists. It has wide-spread possibilities for curbing communist propaganda and already has aroused the violent opposition of the communists and their fellow travelers.

The bill reads as follows: "The people of the State of California do enact as follows: Section 1. Chapter 6 (commencing with Section 8500) is added to Division 1 of Title 2 of the Government Code, to read:

"Chapter 6. Threat of Communism 8500." The State of California does hereby take official recognition of the fact that there is an international conspiracy variously classified as communists, reds, or fellow travelers, which organization and conspiracy is patterned after the Communist Manifesto, is directly connected with a world-wide co-ordinated activity centered in the Kremlin, Moscow, U.S.S.R., which organization and conspiracy has as its primary and fundamental objective the forcible and violent overthrow of every capitalist society and legal system on earth deemed conclusively to be antagonistic to communist objectives; and the State does further take official notice of the fact that communist organizations meeting throughout the world and in

the State of California are convening primarily for the purpose of plotting directly or indirectly the violent overthrow of our constituted authority and thus said meetings and activities of said organizations do as a matter of law constitute a clear and present danger to the health, welfare and very existence of our form of government.

"Unless the context otherwise requires whenever the terms 'communist' and 'communism' appear in a statute they shall be deemed to include the persons, organizations described in Section 8500."

Obviously, all the communists and their fellow travelers will do everything they can to kill this bill.

If you like, you can help by having your friends and relatives all over California write to their own Assemblyman and their own State Senator.

Obviously, I am glad to receive mail on this subject but since I am the author of the bill there is not much point in writing to me about it when the same time and energy would be better devoted to getting other members of the California State Legislature to actively support the bill.

Harbor City School Sets Roundup Day

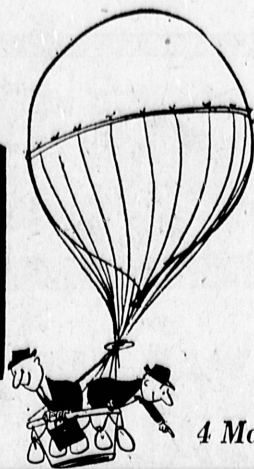

The Harbor City Christian School will have its annual Round-up Day celebration today on the school grounds, 824 W. 255th St., Harbor City. The parades will begin at 10 a.m. Students and faculty will be dressed in western and pioneer costumes.

There will be prizes given for the best costumes. There will be three showings of an old fashioned melodrama entitled "The City Slicker and Our Nell" by the Junior High and High School students. Games and contests will be going on throughout the afternoon.

There will also be a Rummage Sale and Bake Sale during the afternoon. Hot dog and soft drink stands will be set up on the playground. There will be the crowning of the King and Queen for Junior High or High School.

The public is invited to attend the festivities. All money received will go into the school building fund.
